

ACCESS

Two of our bars and one of our restaurants are located on the ground floor, unfortunately, the first floor of the building is not wheelchair accessible however should you wish to dine from the menu in our brasserie upstairs, we would be delighted to provide this in our ground floor restaurant.

However we have a second entrance which can be accessed with a portable ramp via the green gates to the right of the main entrance. If you would like access, please email us in advance stating your time of arrival or let the venue know when you arrive and would be delighted to have a member of staff greet you at the doorway.
